

works from 1990-91 a.d. entitled **THE RIFT BETWEEN MUHAMMADANS AND RASTAFARI**, I addressed briefly the **WHO WAS MARCUS GARVEY?** book and the negative information on Rastafari and His Majesty. There were facts in the book about Marcus "Mosiiah" Garvey but Immaam Issa tried to claim that His Majesty showed no respect for Rastafari in **JA (JAMAICA)** which was totally **UNTRUE** (as the video and pictures proves). Mr. York, the Anti-"**RASTA**" only says things which he knows the people will not spend the quality time to research on their own. Also he tried to say slanderous things about "dreads" referring to the hairstyle and the people who wear them. I was one of the first to address the subject publically. Why was such information used to attempt to slap **RASTAFARI**? Perhaps it was because Immaam Issa (anti-Rasta) was a muslim he didn't know certain facts which the **RASTAFARI** were teaching me. Wisemind was gained by I from reading other works such as "A WRITTEN COMMUNICATION TO A BROTHERS ON RASTAFARI," "WE CONDEMN THE FALSE THEORY AND CORRUPTION OF MODERN BABYLON," and "PRINCE NAZA I SPEAKS TO RASTAFARI" written by PRINCE NAZA I and published by **THE ROYAL ORTHODOX ORDER OF JAH CONSCIOUSNESS ENTERPRISE, INC., THE BOOK OF CONGRESS OF ANCIENT DIVINITY** (author unknown), **THE REAL FACTS ABOUT ETHIOPIA** by J.A. RODGERS, **THE MISSION** by Lockhart, **THE EMPEROR** by Ryzardski and **THE LIVING TESTAMENT OF RASTAFARI** by RASTESFA, I learned facts which were very enlightening and more **REVELATIONARY** to my conscience and consciousness than any of the Dr. Agon's/ "Immaam Isa's" attempts to slander **OUR FATHER. BY STUDYING THE SPEECHES AND PUBLIC ADDRESSES OF HIS MAJESTY THE TRUE TEACHINGS OF H.I.M. WERE REVEALED TO I.** From searching and researching the works of my Father, His Majesty, I began gradually to learn over time that almost everything which "Immaam Issa" was preaching and "teaching" regarding "race" and "racial discrimination" was perverted to confuse those who had little or no knowledge of the Ethiopian Orthodox Church's true teachings of the **ONE LOVE** of Christ to Humanity. The subjects of Ethiopia and His Majesty were either neglected or treated with bias in the majority of Immaam Issa's works which was very few which addressed these matters directly. The **DR. AGON/ "Immaam Issa"** tried from the very beginning

to seduce **BETWEEN RASTAFARI** into reading his works in his own "proclamation of redemption" which said "whether you call yourself a Christian or a Jew, Israelite, Hebrew, **RASTA**, Muslim, Bilalian, Nation of Islam, Sunni Muslim, Shi'ite Muslim, Black Nationalist, African, Puerto Rican, whatever name you have picked up or carry or attribute to your beliefs, you are of Abraham's (P.B.U.H.) seed." Then he goes on to claim, "As your redeemer, I was raised up amongst you to show you the only true way of life." What the **Dr. Agon York** sought to do and continues to do to this day is to fabricate a "way of life" antagonistic (hatefull) to every other "way" other than his own. He (Dr. York) didn't seek to honestly and whole-heartedly embrace other faiths but to exalt his innovated teachings which were perversions of his and others. Later in the same "proclamation" he makes what appeared to be an impassioned plea to **CON-vince** true seekers saying, "So I call all my brothers and sisters, and the **RASTA**, come sup with me." As one can see, Dr. York a.k.a. Immaam Issa sought "the **RASTA**" to "sup with him" yet he rejected every attempt which **THE LION OF JUDAH** Mission in America and Our Society made to reason with him about his claims and His Imperial Majesty's reality. I realized that there were many books which were written other so-called author-ites which had negative and misleading information about the Emperor in it so I thought that perhaps Immaam Issa was using these sources as reference materials. So I gave him the benefit of the doubt thinking that he may have been misled instead of actually being whom he has revealed himself to be, the mis-leader, who when faced with the reality which was gradually being brought forth, went into "retirement" while asking for his followers to "support the lamb" with financial contributions. I saw in this man's (Immaam Issa's) works that there was a major lack of information about Ethiopia and Her Emperor (**II>I>M> HAYLE SELASSIE I**) on one hand and on the other there was other facts regarding race and racial identity which were partly true but greatly drawn out of proportion. **HOW COULD IMMAAM ISSA REJECT THE REAL FACTS ABOUT ETHIOPIA AND HIS MAJESTY, THE KING OF KINGS, THE REAL AND FAITHFUL LAMB?** The small parts or portions of his writings which were "true" were borrowed "facts" referring to the greatness of the Black (Ethiopian) race, **HOWEVER** the **LIE(S)** was that which was designed by Immaam Issa, spiritually the **DR. AGON** (drag on) of "New" **YORK** (Babylon) to cause many to "hate" white people and regard all of them as "devils" while his own devilishment in slandering and blaspheming the real **LAMB QEDAMAWI HAYLE SELASSÉ** and the Saints of **H.I.M./ the RASTAFARI** who are also lamb(s), almost went unnoticed. Open **SELASSÉ I-YE. HALÉLU-YAH. I, Ras AdONIYA (BINGHI) SELASSÉ** say "**BE'EETIYOP'YALAY SELAM YIHUN.**" **PEACE BE ON ETHIOPIYAH, RASTAFARI! YAH LOVE MUST BE***

(Ras Adoniyas Selassé/ H. Y.S.)

In All Ways Remember The Poor And Needy!

" We must look to the ALL ABLE SOURCE (Almighty God), who has raised Man above the animals and endowed Him with INTELLIGENCE and REASON. " - words of the (DINQ MEKAR) Wonderful Counsellor, Our (ABB) Father, QEDAMAWI HAYLE SELASSÉ.

MAY THE PRAYERS OF THE FAITHFUL AND TRUE AND THE MERCY OF HER BELOVED CHILD (TAFARI YEDAWIT LIJ) BE WITH OUR KING OF KINGS, H.I.M. HAILE SELASSIE I AND OUR QUEEN OF QUEENS H.I.M. WALATTA GEORGEOS, WORLD WITHOUT END. AMËNDE RASTAFARI. HALËLU-YAH. WE BEGIN... IN THE NAME OF THE FORE-FATHER, THE CHILD AND THE HOLY SPIRIT (THE PARACLETE; ONE CALLED TO HELP), THE ONE SOURCE SENT. QEDAMAWI HAYLESELASSÉ. (*EXCERPTED W/ PERMISSION FROM "REPAIRATION OF THE BREACH. RE-PAIR-I-NATION." WRITTEN BY AMËN.R.A.SELASSÉ.)

FIRST OF ALL I THANK AND PRAISE THE SOURCE YAH. NEXT I THANK MY ENTIRE HOLISTIC (HOLY) FAMILY WHO HAS YODDED WITH I MAN IN MIND, STRUCTURE (BODY) AND SOUL ALONG THIS RUGGED, ROCKY AND SOMETIMES WINDING ROAD AND HAVE HAD FAITH IN ME. I THANK MY BRETHREN HAYLE DAWITS. H.S. (RAS MASIYAH) WHO HAS ENCOURAGED ME TO COME FORWARD AND BEAR FULL WITNESS TO WHAT I DID DURING THIS PERIOD IN MY LIFE WHILE I CONSIDERED IMMAM "ISSA" AN ANOINTED OF MY FATHER. Now this is He (Ras Masiyah) whom I thank and praise in the fullness of the truth (reality) who has opened my eyes unlike any other to the TOTALITY OF REALITY/ T.O.R. There is much I must say and this is the start, from the heart of I, HAYLE (ADONAI) IYYASUS (MEDHANITE) SELASSÉ. THIS CHAPTER OF MY LIFE (1990-1995 A.D. ONAD) BEGINS IN ZECHARIYAS (THE REMINDER, RAMA-REMEMBRANCE OF YAH) CHAPTER 3 VERSE 1 TO 3 SAYS: "AND HE SHOWED ME JOSHUA (YAHOSHUA, YAHSAVES, ISSALVATION; EYASU; IYYASUS) THE HIGH PRIEST STANDING BEFORE THE ANGEL (MESSENGER) OF YAH (RAS MASIYH HAYLE KRESTOS), AND SATAN (IMMAM ISA; DR.[AGON] YORK, THE ANTI-RASTAFARI) STANDING AT HIS RIGHT HAND (IN THE FORM OF THE ANSAR SIGNET RING THAT WAS ON MY HAND) TO RESIST HIM (HAYLE ADONAI IYYASUS 'DAGMAWI HAYLE SELASSÉ). AND YAHWË SAID UNTO SATAN, YAH REBUKE YOU, O SATAN; EVEN YAH THAT HAS CHOSEN YERUSALEM (THE CITY OF DUAL PEACE) REBUKE YOU: ISN'T THIS A BRAND PLUCKED OUT OF THE FIRE?

NOW JOSHUA WAS CLOTHED WITH FILTHY GARMENTS, AND STOOD BEFORE THE ANGEL (MESSENGER, RAMA SELASSAWI HAYLESELASSE, HAYLEKRESTOS.)"

THE FOLLOWING was revealed to me by Ras MASIYAH in the T.O.R. (Totality of Reality) publications bringing into focus the revelation(s) concerning who this man, DR(agon). York=Immam Isa actually is and what his job really was. DR.(agon) York/Immam isa had referred to himself as having been taught by the archangel Michael and said that this angel visited him to give him teachings. I, myself was still a child in knowledge and had not fully overstood how cunning and shrewd this man was in what he was saying. By the foreknowledge of the Source YAH I was spared from being caught up in bearing false witness to Dr.(Agon) York Immam Isa, who was seeking to ruin our very souls. He taught also that the archangel Michael taught Iblis from being a child-angel and that that angel (Iblis) latter rebelled against the Source YAH and refused to bow (in submission) to Adam, the "Khalifah" or the God-Man-King appointed by "Allah" (ËLOH=HAYLU the Source/ "God") according to the Islamic tradition to be ruler after H.I.M. on the planet earth. Iblis rebelled and incited 200 angels (messengers) to follow him in his rebellion. This is what Immam Isa tried to do to me spiritually seeing that I was "mentally" his student at the time. This was confirmed to be actually Immam Isa, acting the part of Iblis (DR.AGON) who was rebelling from bearing witness to HIS MAJESTY HAYLESELASSÉ FIRST (Q.H.S.). The DR.Agon also tried to hurt my brethren's family (Hayle Dawit) when they attempted to pay him a visit during 1993 a.d. when the car which they were driving up to Montecello crashed injuring several passengers including damaging Hayle Dawit's wife's hand which had to undergo surgery. When this news reached me by way of a phone call from my brother who was the only one uninjured physically (halleluYAH), I was very much disturbed and troubled and wondered how such a thing could happen. I was also told that even though the crash was announced to Immam Isa (Dr.York) who was celebrating his birthday (June 26, 1992 a.d.), no one from the community even lent a hand to assist the injured parties. He (Immam Isa) psychically tried to kill my beloved friends because he knew that his whole community would have been exposed if my brother (Hayle Dawit) had come and confronted him on his facts face to face. IRF-CALL that I had visited the community

when it was located in Bushwick(ed) when I was young for one of the muslim festivals with my father who expressed to me a doubt about the true intentions of this man to me on several occasions after seeing that I was absorbed by his doctrine and teachings. Often my father would say to me that this man disrespected every other teacher who had come before him in order to establish his own. Such was the case with the Hon. Elijah Muhammad who is considered by some to be the greatest blackman to be raised up from amongst the people to teach the people in the west. I was too young (a child) and inexperienced to be aware of just how true these warnings of my father were. I still gathered more books and other related Islamic materials from followers of Imaam Isa who peddled throughout Brooklyn and other boroughs of New York City. One particular poster which I always was very fond of was the PROUD NUBIANS poster which had Immam Isa himself on one end and H.I.M. HAYLE SELASSIE I at the other. I was under the impression this was due to the fact that Immam Isa held His Majesty in high regards or at least had some respect for THE KING OF KINGS. This was just what Immam Isa wanted many of us to beLIEve. He used any leader which he tried to link with himself or his movement to further what his true intention was, to decieve the very elect. At this same time, my knowledge of the Emperor of Ethiopia, His Majesty, was gradually increasing from other RASTAFARI peacefull brethren and sistren whom I met and reasoned with and muzik, books and other related materials I gathered, reviewed and studied. There was a book written by Immam Isa/Dr.Agon York which disturbed me due to the slanders and lies against H.I.M. named WHO WAS MARCUS GARVEY? It was a brother name Kush Abijah Congo Levi (Woldeselassie) who gave me this book. MISGANA! It was a lesson. Amèn. At the time, this brother was like myself very young and seeking the reality of H.I.M.self as I was. He was one of the first (qedamawi) founding members of L.O.J. (Lion of Judah club) at B.C. (Brooklyn College). We made several exchanges of ideas which became the basis of the Lion of Judah club. Yet, he later went away from I for a time as internal shifts for power were being made without my knowledge. This brings me to discuss a brother named Sofoniyas (Zephaniah Ephraim/ Zephraim) or "Rodger" who started the Alkebulan club while being a member of LOJ (B.C.). Kush Wolde Selassie along with Sofoniyas became co-workers in this project which eventually failed. In one of my earlier
