## "GANJA" the Holy Herb?

Pt. 1

The Lamb's Bread  
RAS TAFARI is The LAMB!

In All Ways Remember The Poor And Needy!

"The fruits of the farmer's labour must be enjoyed by him whose toil has produced the crop. The uses of trees are many and varied."  
- words of the Wonderful Counsellor,  
my Father, HAILE SELASSIE I

GENESIS 2 VERSE 13  
"AND THE NAME OF THE  
SECOND RIVER IS GIHON:  
THE SAME IS IT THAT  
COMPASSETH THE  
WHOLE LAND OF  
ETHIOPIA."

To all the mis-informed concerning the **HOLY HERB** which the RASTAFARI call "Ganja", KAYA, "Herb", Ishence, Colly, "weed", SENSEMINA, TAMPIE, ILEY, WISDOM WEED, KAYA, MAKA, SOLOMON'S HERB and LAMBS BREAD: The Babylonian serpent of *media* and T.V. has spread a lot of false and mis-leading "information" and scientific "facts" about the **HOLY HERB** which we Ethiopian children of the RASTAFARI know as **GEN-YAH BU-QAYA**, the holy fruit of the inclosed or "inner garden" which is Ethiopia. I, the **AMEN-RAAS**: Haileyyasu I, founder, director and international head of the *the Kushite Coptic Hebrews* of the **Lion Of Judah Society** have already proven beyond a shadow of a doubt that what is known "today" as Ethiopia was in ancient times your biblical "Garden of Eden".

Now, we will discuss the subject of this A'EMMRO - OVERSTANDING, GEN-YAH, THE HOLY HERB!!

Legalize It or NOT  
There are many "organizations" such as the

"Pro-hemp", "Pro-Marijuana" and other right to smoke "hemp" groups which advocate the "legalization" of 'marijuana' for so-called "social" and humane" purposes. First of all 'marijuana' as they call it or "hemp" as others call it is in actuality an 'herb seed' which grows in nature naturally. Therefore my friends it is already 'legal'. As far as Babylonian "laws" and "restrictions" concerning the **HOLY HERB** known by us as **GEN-YAH**, we see this as good. Why? Simply because we have clearly seen that everything which the **WEAK-HEARTED** and **WICKED** Babylonians have "legalized" they have also destroyed through their commercialization and profit making schemes against Our Father **YAH RASTAFARI**, Mother Nature and we the children, the **BLACK** sheep of the House of Isra'EYL, the children of the Ethiopians.

Therefore to put it even more direct so that all will OVERstand: **WE SAY NO TO BABYLON'S ATTEMPTS TO "LEGALIZE" MARIJUANA!** **THE ONLY USE OF THE MARIJUANA HERB MUST BE LIKE THE USE OF EVERY OTHER PLANT AND HERB - FREE AND FOR THE SERVICE OF HUMANITY!!**

**YAH RASTAFARI KNOWS!!**

**GEN-YAH IS THE HEALING OF THE NATIONS!!** Read Revelations Chapter 22. "Ganja" is a name which many have heard and which many have used to describe the **HOLA HERB**. Many people smoke the herb called "marijuana". Even the "American President" 666 said that he smoked "pot" but "didn't inhale"!! What ??? You mean to say that you can smoke anything and not inhale. How is this possible? Is this what future generations have as a memorial: **THEY SMOKED BUT DIDN'T INHALE!!!** This is like blasphemy! The so-called "drug" which foolish people called "weed, pot, and marijuana" is in fact a very sacred and holy 'thing'. By saying that you or anyone "smokes" but doesn't "inhale" is like saying to 'God' that you took of the sacrament but didn't receive of it's blessedness.

Many of you may not overstand and may not want to But it's not unto you that we speak. We are writing this article to get a message full of facts across to the youth who go around "smoking weed" and NOT taking the "high" seriously. It's a serious thing this "weed" that many just smoke to get "high" and run away from realities of life. You could be Christian, Muslim, Rasta or Jew but the fact remains that no matter what you many "think" ..**GEN-YAH IS THE**

**HOLY HERB!** In fact the "bible" even tells you that man was not made to eat meat or the "flesh" of animals but was to eat of the "herbs of the field". The I, AMEYN RAAS: Haileyasu I will reveal the real deal from the scrolls of the HAILE SELASSIE BIBLE that this original *Herb of the field* was known as the GEN-YAH BUQAYA which the children of the RAS TAFARI also call "Kaya". Some Ethiopians falsely refer to it as "Khat" which is something altogether different as we will explain later.

GENESIS 1: 29

"AND IGZI'ABHER SAID, BEHOLD, I HAVE GIVEN YOU (ORIGINAL HUMANITY) EVERY HERB BEARING SEED, WHICH IS UPON THE FACE OF ALL THE EARTH. AND EVERY TREE, IN WHICH IS THE FRUIT OF A TREE YEILDING SEED: TO YOU IT SHALL BE FOR MEAT."

HU-MANITY, the original Utopian of Ether Utopia (Ethiopia) originally ATE not only "the herb bearing seed" which in the 11th verse of the very first chapter of the Geneology of I-Sis (the scrolls of Genesis) is called BUQAYA in the King's language of AMAR-IC. In the 29th verse of the same chapter this "herb" is also referred to as HAMEL-MAL which refers to the

"vegetation" and refers to both the "herbs" as well as the green vegetation of the field (Ethiopia).

**NO DEAD THING!!**

In the "beginning" we ate **NO DEAD THING!!** Even from that point in creation "In the beginning" the "spirit" of the RASTAFARI was there. We are the original Ethiopians, the true Hu-manity as I, your brethren the AMENRAAS am informing you all by way of the HAILE SELASSIE I BIBLE which I alone hold in my hands as well as the "Keys of David" to make the overstanding crystal clear as the waters of the Blue Nile which came from the Garden of Ethiopia commonly called "the garden of Eden". There were people or "beings" before Adam and Eve, in fact they had parents as in a "mother and a father." In actuality there were many generations of Creation known to have existed from before the creation of the Adamites approximately 7,485 years ago. How do we know this? Simply because we were there. *It's time to return home!*

**If you want to know more you must become an Apostle of RASTAFARI get on board the A.R.K.**

*this is ZION TRAIN!!*

There is much more that I must show you which none other can. It is necessary that

I teach you these things BUT you must become willing to learn!

**IN THIS TIME THE FAITHFUL BRETHERN AND SISTER MUST FAST FROM THE USE OF "GANJA"!!**

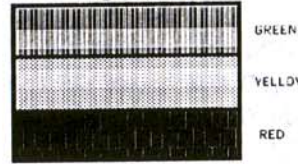

I know that this may sound difficult to some but *gradually* we, the real children of YAH RASTAFARI must convert to using the Holy Herb, Gen-Yah for other purposes such as food, clothing, paper, oil, fuel, and medicinal. *ONLY AS A HOLY SACREMENT MUST THE HERB BE BURNED LIKE "IN-SENCE" WHICH IS THE I-SHENCE OR "ESSENCE"!!*

**YAH WARNING!! BE-AWARE!**

There is a lot of "marijuana" that is in popular circulation which has been tampered with by Government, Dealers and others solely for "monetary" purposes. Therefore, I PRAY THEE, Be-Aware of who, what, where, why, and when you "smoke" because there are many wolves in sheep clothing. We, the LAMB's SOCIETY are not pointing fingers all we are saying is to be careful what you do because... **YAH RASTAFARI LOVES YOU AND YOU ARE OUR BROTHERS AND SISTERS AND WE YOUR KEEPERS!!**

**OUR FLAG!! "Red, Gold, and Green"**

Green stands for ETHIOPIA  
Yellow stands for GOLD  
Red stands for ONE LOVE

a flag is a symbol of the identification of a nation
